

Philips
Straightener

HP8360

Protects and lets you shine all day

SalonStraight ProProtect 230

The SalonStraight ProProtect 230 combines high quality straightening results with a specially designed protection system: this eliminate excess heat immediately after straightening. Great results don't have to mean compromising on condition.

Beautifully styled hair

- 230°C professional high heat for perfect salon results
- ECP plates technology for lifetime shine
- Ceramic heating technology for professional results

Less hair damage

- EHD+ technology for more protection and shinier results
- Active cooling system for ultimate protection and more shine

Time saving

- Instant heat: ready to use within 15 seconds

Ease of use

- Ergonomic design for easy styling, especially at the back
- Included: Glamorous pouch
- Easy lock for convenient storage
